## Summary

An enthusiastic and motivated Computer Engineering student seeking a challenging internship opportunity to apply and enhance technical skills in a real-world setting. Eager to contribute to innovative projects, learn from experienced professionals, and grow within a dynamic team. Eager to leverage my theoretical knowledge and enthusiasm for technology in a practical setting.

---

## Work Experience

### Student

While I may not have formal work experience, my academic journey and personal projects have equipped me with valuable skills and qualities that make me an effective and motivated candidate.

---
